

WHY SMITH SOC?

Becoming a member of the Adam Smith Society, a project of the Manhattan Institute, is more than just joining a club. Your Smith Soc membership gives you access to an expansive network of other MBA students and professionals who, like you, value debate and discussion about the moral, social, and economic benefits of capitalism. To support and promote these ideas in mainstream conversation, we value committed members like you.

STUDENT

\$10
PER YEAR

Smith Soc newsletter

Free copy of the book
What Adam Smith Knew

Access to
on- and off-campus events

Opportunity to attend
National Meeting in NYC with
partial travel reimbursement

Ability to apply for
destination-based treks,
retreats, and competitions

Students can join their local student chapter without electing a paid membership, but will miss out on several benefits outlined above.
